creatureKIND is a 501c3 organization dedicated to helping companion animals in need. We do not have a facility or sanctuary, but use our resources to help re-home companion animals in need, and provide funds to offset medical expenses or training costs. In order to do that we require 3 GOOD photos of the animal you need help with, along with a short bio. Please attach photos to the body of your e-mail (jpeg or pdf file only)Video is very helpful if you have any.
